**Carroll County Northern Landfill Now Accepting Credit Card Payments**

**Westminster, MD, December 13, 2017** – The Carroll County Department of Public Works is pleased to announce the Northern Resource Recovery Park and Landfill (Northern Landfill) is now accepting credit and debit card payments for services. Effective immediately, all major credit cards and debit cards are accepted. A 3% convenience fee will be added to each credit and debit card transaction to offset the fees charged to the county by the credit card companies. This is an additional payment option offered as the landfill will continue to accept cash and in-state checks as payment.

“We are excited to offer this new feature to our residents,” said Solid Waste Bureau Chief Dusty Hilbert, “The new credit card option gives customers an additional convenient way to pay and helps improve their overall customer experience.”
