

Double Pipe Creek-Cherry Branch Stream Restoration

Town of Union Bridge

The Double Pipe Creek watershed is located in north-western Carroll County, bordered by Frederick County, Maryland. Double Pipe Creek watershed drains into the Monocacy River which is part of the Potomac River watershed.

The Cherry Branch Stream Restoration plantings, completed in the springs of 2013, 2014, and 2015, resulted in the reforestation of approximately **8.31 acres**. Carroll County Outdoor School students assisted in the plantings. A grant from the Department of Natural Resources funded the majority of the cost of these plantings.
