

## Overview of Enterprise Funds CIP

Enterprise Funds are used to account for operations that are funded and operated in a manner similar to private businesses. Carroll County has six enterprise funds: Carroll County Regional Airport, Fiber Network, Hap Baker Firearms Facility, Septage, Solid Waste, and Utilities (Water and Sewer). There are no projects for the Firearms Facility or Septage Enterprise Funds.

### Fiber Network

The Fiber Network Enterprise Fund includes planned funding of \$1.0M in FY 23 for Carroll County Public Network (CCPN) equipment replacement.

### Solid Waste

The Solid Waste Enterprise Fund includes funding for an additional waste drop-off area at Northern Landfill. The new area will accommodate larger loads brought in by pickup trucks and trailers.

### Utilities

The Bureau of Utilities operates Freedom Sewer, Freedom Water, Hampstead Sewer, and several other small water and sewer systems. Projects can generally be divided into those intended to improve the existing system, such as rehabilitation projects to reduce inflow and infiltration, and those intended to provide for increased demand. Included in the FY 20 – 25 CIP is \$4.7M for upgrades to water and sewer lines in the Town of Sykesville, and \$3.4M for repairs to sewer lines.

For additional information on these or other Enterprise Fund projects, please refer to the individual project pages.
