

# Bark Hill Remediation and Maintenance

District Location: 1

Sheree Lima, Management and Budget Project Coordinator (410) 386-2082

6537

This project provides funding to maintain the Bark Hill closed landfill. The Environmental Protection Agency requires a landfill be monitored and maintained for a minimum of thirty years after closing. This funding is used to control the movement and proper handling of the gas and groundwater around the landfill, as well as needed repairs to the site. Prior to FY 16, funding for this project was included in the Closed Landfill project.
