In FY 14, the County changed how it presents Enterprise Fund budgets. These budgets are now presented based on cash expenditures, depreciation is not included and bond principal has been added. To more accurately define what is happening in the budget, the Contingency line item has been changed to Revenue in Excess of Expenditures and is shown separately from the individual budget. This line item captures the annual amount generated by the operating revenue net of operating cash expenditures. Revenue in Excess of Expenditures is available to fund capital projects, vehicles and equipment, and contingency reserves.

**COMMUNITY INVESTMENT PLAN - Schedule of Reappropriations
Fiscal Year 2017**

Reappropriations may occur when there are unspent budgeted funds from a completed or cancelled project or when there is an unallocated project that holds funds for a future use.
