Highlights, Changes, and Useful Information

- The Sheriff is a constitutional office elected by the voters of Carroll County. While the Commissioners have a legal requirement to adequately fund the constitutional functions of the office, they do not have operational authority over the Department.
- In addition to direct funding to Sheriff Services, the County also provides in-kind support, including health coverage, public safety support, building maintenance, vehicles and maintenance, technology services and support, worker's compensation, and other insurance coverage.
- In FY 11, the Board of County Commissioners unanimously voted to transition the County away from a contractual relationship with the Maryland State Police for Resident Trooper positions over three years and supplement the Sheriff's Office with additional Deputy Sheriff Positions.

Budget Changes

- Detention Center increases from FY 15 Original to Adjusted due to contractual housing of approximately 17 inmates.
- Total Sheriff Services increases primarily due to the second-year implementation of the compensation plan and costs associated with the Drug Enforcement Support Program, including five additional positions.
