

# Commerce Center Tree Planting on land owned by the County

- \$42,000 in grant funding for this project
- Providing for a reduction of pollutant loads, stabilization, and improved habitat
- 1,140 trees were planted as a forest buffer on 5.94 acres (5.09 upland and 0.85 riparian)
- Based on FieldDoc, the project will remove 201.58 lbs/yr of Total Nitrogen, 4.87 lbs/yr of Total Phosphorus, and 12.62 tons/yr Total Suspended Solids
- This planting was completed in Fall 2021 in the Liberty Reservoir Watershed
