## 2023 Advanced Life Support Recertification and Skills Session Dates

Carroll County Department of Fire and EMS will be hosting the 2023 ALS recertification at Carroll Community College this year on January 28, 2023, January 29, 2023, and February 11, 2023. All ALS clinicians that need recertification are urged to attend. Attendance at all three dates will be required for successful completion on the ALS recertification. Attached is a copy of the schedule for the recertification. This will be the only class offered by Carroll County Fire and EMS for this recertification cycle.

**ALL** ALS clinicians regardless of expiration date, will need to complete a skills evaluation course prior to July 1, 2023. During these skills sessions we will cover some new devices such as Igels, CPAP, and Pelvic Binders. In addition, review of ALS skills will be completed.

ALS Clinicians expiring 2023 who took ALS recertification through Carroll County Department of Fire & EMS

1. Complete recertification application through NREMT-P and MIEMSS

ALS Clinicians completing recertification outside of Carroll County Department of Fire and EMS shall.

1. Attend one of skills sessions listed below
2. Complete recertification application through NREMT-P and MIEMSS

ALS Clinicians expiring in 2024

1. Additional session will be provided at a later date prior to July 1, 2023
2. You can submit for dates listed below, however; your confirmation will be held until all those ALS clinicians needing recert this year have signed up by December 20, 2022.

ALS Clinicians signing up for ALS Recertification shall submit an email to Kim Dubbert at [kdubbert@carrollcountymd.gov](mailto:kdubbert@carrollcountymd.gov) by January 5, 2023.

ALS Clinicians signing up for skills session only, shall submit an e-mail to Kim Dubbert at [kdubbert@carrollcountymd.gov](mailto:kdubbert@carrollcountymd.gov) by December 20, 2022 requesting one of the following sessions. You will receive a confirmation email from Kim with confirmation of the date requested or an email asking for an additional date due to class being full.

Dates for skills sessions: Each date is limited to 40 clinicians.
