**Re: Small Pond Recommendation**

Dear Mr. McMahon,

We have completed our review of the above referenced retrofit plans and calculations. They meet the requirements of MD-378. Therefore, we recommend that small pond approval be granted. Please date and sign both attached documents and return them to me.

We appreciate being able to provide technical assistance to you in these matters.

If you have any questions or need further assistance, please do not hesitate to contact me at (410) 386-2210, Monday through Friday between 7:00 a.m. and 3:30 p.m.

Sincerely,
