

General Order

Department of Fire & EMS

G.O. 10-4-2023

Subject: ALS Skills Sessions

Date: October 25, 2023

Authority: Michael Stoner, Assistant Chief

Department of Fire and EMS will be offering 8 ALS skills session this recertification cycle. The dates for these skills sessions are listed below, and you will be required to attend and complete one of those sessions. This General Order applies to all ALS Clinicians that are currently functioning in Carroll County or would like to be reinstated as an ALS Clinician. Those individuals completing the recertification program that we are offering in Carroll County will have the skills session incorporated into the recertification classes and do **not** need to sign up for a skills session. Any ALS Clinician who fails to attend one of the scheduled skills sessions will have their ability to function and their access to the Med Vaults removed. Class size will be limited to 30 clinicians.

Additional dates will **not** be added unless weather forces the cancellation of the dates listed below.

ALS Clinicians signing up for skills session, shall submit an e-mail to Kim Dubbert at kdubbert@carrollcountymd.gov requesting one of the following sessions. You will receive a confirmation email from Kim with confirmation of the date requested or an email asking for an additional date due to class being full.

Dates for skills sessions: Each date is limited to 30 clinicians.
