How can Carroll County Planning & Land Management (PLM) help you with clean-up and maintenance projects?

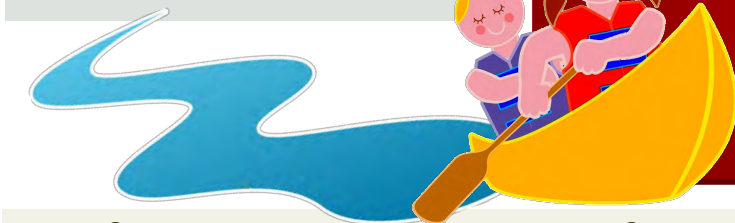

- Providing gloves and garbage bags
- Coordinating trash pickup for bags that are filled
- Gaining permission for access for public properties and facilities
- Providing education regarding tree maintenance
- Assisting with identifying contacts for homeowner association (HOA) for permission to access common areas

To request assistance or for more information, contact PLM at:

CCWater@CarrollCountyMD.gov

Carroll County Department of Planning & Land Management

Mission

To maintain, develop, and implement programs in an efficient and effective manner related to development review, zoning, resource management, geographic information systems, and agricultural land preservation through the administration of plans, initiatives, programs, implementation measures, and code enforcement that ensures the continued protection and use of the natural and built environment by the citizens of Carroll County.

Benefit to Planning & Land Management—Assists with...

- Protecting and managing natural resources
- Complying with State and federal environmental laws
- Meeting goals for collection of litter and debris
- Achieving goals for stream restoration
- Achieving goals for tree planting and maintenance
- Promoting public education and outreach
