The DFEMS staffing initiative is continuing in concert with our ongoing hiring process. In that light we will be moving forward with staffing the Pleasant Valley Station in early September 2024. We are therefore going to be accepting transfer requests to that station with a short window of time to submit requests. This shall be now through 0800 on Monday, August 12, 2024.

The positions for station 6 will include four (4) FADOs, four (4) FF/EMTs and four (4) PMs or FF/PMs. If interested in filling these positions, please submit using the below link into the transfer system. Those personnel who are selected will be assigned to an appropriate station orientation prior to assignment. Please direct any questions to your respective shift commander.
