

Carroll County Monocacy River Board

The next meeting of the Carroll County Monocacy River Board will be held on **Tuesday, May 16, 2023 at 7 pm at Memorial Park**, Baltimore Street, Taneytown, MD 21787

Agenda: The May Monocacy River Board meeting will involve performing maintenance of a riparian tree planting implemented within Memorial Park. Maintenance will include pruning and removing invasive plants growing within the tree shelter, as well as removing any shelters from mature trees.

This planting was implemented in 2015 by the Bureau of Resource Management in conjunction with the City of Taneytown, in which 1.9 acres of riparian area within the Park was reforested.

I'll bring a few sets of small pruners and loppers, but please feel free to bring along any tools you wish to utilize for the event. Gloves and boots are also recommended. We'll stage any shelters that need to be removed along the tree line and most of the invasives plants growing within the tree tubes are multi-flora rose.
