

General Order

Department of Fire & EMS

G.O. #: 7-5-23

Subject: Radio designations/Access-DFEMS

Date: July 20, 2023

Authority: Chief Michael W. Robinson, Director/*MWR*

In order to facilitate contact with DFEMS field personnel we are now utilizing TG-B4 (Admin) to easily communicate routine/timely needs for field operations and staff support. The following parameters will guide this utilization:

1. TG- B4 (Admin) will be the designated talk group.
2. OPS-101, EMS-101,102,103 shall monitor this TG from 0700-2300 daily.
3. If the above are needed for assistance contact them initially on TG-B4
4. If not available on radio, then contact the ECC to have them paged.
5. Additionally, the “on duty” OPS-101 can be reached at 410-386-6823 at their office.
6. The OPS-101 office will automatically forward to the “on duty” OPS-101 mobile phone
7. DFEMS command/staff personnel shall monitor (M-F) 0800-1800 (FD-1, EMS-100, Safety-100,

The following personnel are assigned to these units on the shifts as indicated:
